*Think outside the box.*

This show bursts at the seams with original variety entertainment. Laura gets the show rolling inside a human-sized hamster ball - how's that for thinking outside the box? Add that to the international award winning juggling, astounding acrobatic stunts, and high flying aerial fabric over 25 feet in the air, and you've got a show beyond compare that will be remembered long after the fair.

When you work with Laura you don't have to worry about a thing. She's got the sound equipment, lights, and the 25 foot rig on hand. When you book Laura, she becomes part of your team, dedicated to making your event shine.
